

Each donation helps Habitat for Humanity build safe, decent, affordable homes for families in Knox County.

Help Us Give a Hand Up

- Donated, gently used items are sold at reduced prices to make them affordable for members of our community.
- The funds from the ReStore go towards paying for the background costs of building a home, such as purchasing land and closing costs.
- Each Donated item helps reduce waste in local and global landfills.
- Donations to Habitat's ReStore are tax-deductible.

Knox County Habitat has served over 25 families and we can serve more with your help!

See inside for a list of donations we do and do not accept

You don't have to lift a hammer to help.
